\* **ALL endorsements are due by October 28, 2011 and must be submitted in duplicate.**

Endorsement requests **MUST** be made **PRIOR** to experimentation in order to ensure the safety of the test subject(s) and/or the scientist. The project plans are reviewed by the Scientific Review Committee and, if safe, the endorsement is granted and the experiment may be carried out. Permission to carry out an experiment **CANNOT** be given to one that has already been completed.
