Scholarship Presentations

T-Mobile STEM Scholarships

University Representatives

Corporate and Individual Donors

**Chicago Public Schools' Educators
and Retirees**

Closing Remarks

Kelli McDonald

President
CPS Student Science Fair, Inc.

2020 Scholarship Winners

Any prospective June CPS high school graduate who has participated in CPS STEM exhibitions (during grades 7-12) at a regional or the city level and/or the symposium/essay competition; and who is planning to major in science, technology, engineering, and/or mathematics was eligible to apply for a scholarship. The Scholarship Committee, representing business and education, selects scholarship recipients on the basis of participation in the Chicago Public Schools STEM Exhibitions, scholastic achievement, future goals, and personal interviews.

The June 2020 high school graduates listed below were selected to receive financial scholarships by the Chicago Public Schools Student Science Fair, Inc. Scholarship Committee.

Since 1956, Student Science Fair, Inc. has awarded 2,181 scholarships, valued at \$4,013,992 to students from 77 Chicago public high schools
